6. You must be alcohol and drug free for all appointments, including registration and be willing to submit to periodic breath tests performed by DUIC staff. You may also be referred for a urinalysis at your expense, if recommended.
7. Per Administrative Rule, a DUI program may refuse to enroll any person who is unwilling to comply with the rules and regulations of the program or who is unwilling to make full disclosure for the purposes of an evaluation.
8. Per the Administrative Rule, you must live, work or attend school in the County in which you are enrolling in and be able to provide proof of such. Failure to provide proof within the first fifteen (15) days of your enrollment will cause the enrollment to be void and may affect your license and/or probation status.

## Evaluation Requirements

Florida Statutes require a substance abuse evaluation of anyone enrolled in a DUI Program. You will be required to provide the following documents prior to the evaluation appointment or be subject to the current evaluation rescheduling fee:

1. Arrest affidavit and / or traffic crash report
2. Current official DHSMV full driving record (original copy dated within 30 days of your enrollment).
3. Documented breath test, blood test and / or urinalysis results.

A completion certificate will not be issued until the results (or documentation that it is unavailable) is received.

If your DRI test results are invalid, you will be required to re-take the test within five (5) business days of your evaluation appointment. The purpose of the evaluation is to determine the existence of a possible alcohol or other drug use problem and subsequent referral to substance abuse counseling, if required. There will be additional fees for this counseling as outlined in Florida Statutes.

## Treatment Requirements

Per Administrative Rule, any client who is required to attend substance abuse treatment must comply with the requirement to maintain a valid license.

The DUI Program shall forward a copy of the Client Data Information and Interview to the treatment provider prior to the client's intake appointment. The treatment provider must notify the DUI Program when there is a change in client's level of participation in treatment including but not limited to testing positive during drug screening, incompleteness of treatment requirement or completion of treatment requirement. If treatment documentation indicates that the person has been seen by a provider only for the purpose of prescribing or reviewing medication and not receiving alcohol or other drug treatment, then referral to a licensed provider may be made to determine the need for treatment.

If notification is obtained from the treatment provider which indicates a client failed to complete treatment, DHSMV will be notified and a license may be suspended. If suspended, the client must reopen their file for treatment by contacting DUIC, paying the applicable fee and signing Releases of Information to an approved treatment provider. After reopening a file for treatment the client will be able to obtain a onetime only Reprieve Letter (DHSMV Form 77096) after notification is received from the treatment provider stating the individual has scheduled and kept an appointment and is complying with their treatment requirements. If a client's file is closed incomplete a second time for failure to comply with treatment, DHSMV will be notified and the individual's license will remain suspended until verification of treatment completion has been obtained from the provider and the Department is notified.

You will be required to pay the full fee for Level II.

**90 Day Completion Requirement**

Per Administrative Rule, any client who returns to the program more than ninety (90) days after the original enrollment to complete all or part of the program will have to re-enroll and complete the entire program, including payment of all program fees. 3. The disclosure is made to medical personnel in a medical emergency or to qualified personnel for research, audit or program evaluation; or
4. The client commits or threatens to commit a crime either at the program or against any person who works for the program.

Violation of the Federal laws and regulations by a program is a crime. Suspected violations may be reported to Karin Hoppmann, the United States Attorney in this district, at 400 North Tampa St., Suite 3200, Tampa, FL 33602, Phone: (813) 274-6000. If you fail to appear for class or the evaluation or appear late for the evaluation or after roll call for class, you will be required to contact the office during registration hours to be reassigned to a new series of classes or evaluation and pay the appropriate fee.

No rescheduling fee shall be charged if you contact DUIC at least five (5) business days prior to the date that the class session or evaluation was scheduled and ask to be reassigned provided that no more than two (2) reassignments are made during any ninety (90) day period.

No rescheduling fee shall be charged if you contact the program at least forty eight (48) hours after the date of the scheduled class or evaluation and ask to be reassigned for exceptional circumstances. You must provide documentation of the exceptional circumstances. Exceptional circumstances involve situations that are beyond the client's control and are unknown to the client at the time of enrollment, such as natural disaster, serious illness or death in the client's immediate family, or serious illness requiring hospitalization of the client, as documented by the attending physician.

You will not be admitted to class or the evaluation if you have consumed alcohol or illegal drugs, or abused prescription medication or other substances as evidenced by possession, behavior, odor, observation of consumption, or by your own admission, or act in a disruptive manner and you will be required to pay the DHSMV approved standardized ancillary fee for the evaluation appointment or re-assignment for class (Level I = \$295.00, Level II = \$445.00).
